

HOW TO COLONIZE SPACE.

宇宙を 開拓する 方法

HOW TO
EXPLORE
SPACE.

A tale of
the people
who have to
shoulder the
burden of
mankind's
progress...

The much-awaited new work from a great SF storyteller!

富沢ひとし

Hitoshi Tanizawa

IT HAS EVEN
COLONIZED
WASTY EXPANSIVE
OF OUTER
SPACE... AND
HAS BECOME
BARTS
RECKLESS IN
DOING SO.

IT MIGHT BE A
BIT LATE TO
MENTION THIS
NOW, BUT
HUMANITY HAS
ALREADY BEEN
PENETRATING
DEEP INTO THE
UNIVERSE FOR
ABOUT 50
YEARS.

What if I
make this
move?

How
about
over-
ing!

You're too
slow, sister!
PUSH your
rated move
already!

By bdd,
my bdd,
Please
forgive
me.

...TO PASS
THIS
PERIOD OF
HISTORY
DOWN TO
UPCOMING
GENERA-
TIONS.

HA HA
that was
a lot,
children I
guess.

IT IS THE
MISSION OF
THE AUTHOR
ETICHROU
MIDORI...

I want
to eat
ice
cream
!!

Ice
cream!
Ice
cream!!

She's
not my
child.

Oh no no
Please
don't get
it wrong

What a
cheerful
dignity
you have

ESTIMATED
TIME UNTIL
ARRIVAL:
ONE WEEK.

GENERAL
TRANSPORT
UNIT
FULLY ENG.

No star
wink anymore
to a sleeping
face re-
flected in
the mirror
HIS.

She's
just a
friend I
met on
this ship.

She's
not my
child

Oh no
Please
don't
get it
wrong

Oh it
seems
that your
daughter
has finally
stopped
crying.

It's nothing
Protecting
himself is
my mission
after all

So you're
telling
one of
this girl
for now?
How kind
of you!

I haven't
had a
chance
to meet
them yet
So I don't
know the
reason.

To tell you
the truth, her
parents seem
to have been
having an argu-
ment. That
they got on
the ship.

I don't think
there's any
person in
this world
who can
hate you,
Riku.

Listen, do
you think
Ran and
Dad hate
me?

Oh it
opened
up!

Mr. Miyagi-
kō-dō!
Mr. Miyagi-
kō-dō!

You're
so
beautiful!

In-cred-ible!

To think that you can hear this horrible scream...

Could you please ask all passengers to stay in their cabins until the police get here?

Well then,

Looks like the police won't be here for another 24 hours.

Oh, well, it's not trouble now.

But I'm
not qual-
ified for
that job.

I want
to stay
by her
side, I
do...

Why did
this murder
incident
have to
happen
don't.

I heard that
working on a
train doesn't
seem to be
pretty safe.
Foolish.

Man,
this
sucks.

Oh well, let's
finish this
patrol quickly
and head out
for tonight.
What'd ya say?

Yeah, I
shouldn't
have be-
lieved them!

However,
thanks to
them my
salary's
gone & not
back. So I
don't
intend to
pick my
bag by
line soon.

Dude, you've been
had! Incidents like
this have
been increasing
recently and a lot
of workers have
quit their jobs
because of them.

...A NEW
IDEA WAS
BORN.

LONG AGO,
AT THE
BEGINNING
OF THE
SPACE COL-
ONIZATION
ERA...

THEY
HATE TO
GIVE UP
THEIR
HUMAN
FORM.

HUMAN
HATE TO
GIVE UP
IF
THEY WANT
TO LIVE PER-
MANENTLY
OUTSIDE
EARTH.

It soon
came left-
over from
the early
coloniza-
tion period

Just as I
suspected
the man
demon...

A terrible
face like
mine...

Do you still
remember
how you felt
when they
changed you?

You've
gotta
tell us
something...

Why do
you
blame
people?

...the pain,
the dark-
ness, the
noise...

The pain,
the heat,
the cold,
the fear,
the stench,
the confu-
sion...

Why did we
have to
colonize
space?

Why did
they
give us
such
bodies?

Why can
we still
remember
those
things?

...kind
would've
been con-
sidered to
extinction.

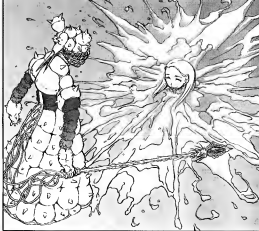

Because if
it weren't
for people
like us...

Listen,
you're
an awful
liar...

What a
clashed
reason...

Swelling

I didn't lie
to you,
Riku. It
was the
truth.

...It simply
no longer
in need of
heroes.

But it's
also
true
that this
age...

THE END
